**UNIQUE SERVICE TO
MAXIMISE PROFITABILITY**

WHY CHOOSE DAVIDSONS ANIMAL FEEDS

At Davidsons Animal Feeds, we take great pride in delivering quality goods and services to our valued customers. Being an independent, family run business, we have complete control, from the sourcing of raw materials to delivering the finished product to your farm. Working with local suppliers and customers as much as possible, to bring to you the highest quality products that your stock deserves.

Through the Davidsons family business, we can offer...

- Highest quality raw material sourcing
- Some of the most specialised efficient manufacturing facilities in Europe
- Bespoke products for your dairy and young stock needs

DAVIDSONS DAIRY TECH

UNIQUE SERVICE FOR PROFITABLE DAIRYING

A team of dedicated, fully qualified on farm dairy consultants and nutritionists, brought together to offer nutritional and technical advice to meet the developing needs and expectations of modern dairying.

WE'RE HERE FOR YOU WHEN YOU NEED IT

Dairy Tech will work with you to look at the full picture from youngstock through to the milking herd, to understand your aspirations and provide informed management and nutritional advice for a healthy, productive future.

Dairy Tech are always striving to...

- Meet the needs of your business
- Invest and develop unique and innovative solutions for your dairy
- Maximise profitability

WHAT WE OFFER

A range of on-farm and remote services specifically tailored to increase cow, farm and business efficiency. The Dairy Tech Team has been developed to deliver excellent nutritional and farm-based advice which will be specific to each individual farm's needs.

Davidsons Dairy Tech team are committed to optimising efficiency and driving performance, working together to support our valued customers and clients.

Working together with you as part of your team, Dairy Tech work closely with your...

- Farm Vets
- Breeding Technicians
- Parlour and Robotic milking specialists
- Milk Recording Data

Looking to improve herd performance and health as well as improve business efficiency and profitability? Dairy Tech are here to help you. Working in partnership with our customers, our solutions will be tailored to suit your individual nutritional and business requirements.
